## AYH - B.A.T.?

"Take a bite out of the high cost of travel with B.A.T.!"

"Travel under the wing of B.A.T.!"

All of the above are potential sales pitches for the new service: "Budget Adventure Travel" soon to be offered through the National AYH office (rumor has it that it could be as soon as October 31).

You will not only be able to sign up for World Adventure trips with AYH, but make all your plane reservations too. Plus all the other services provided by a real travel agent.

If all works out at the National level, a BAI franchise could be extended to local councils so that they can open travel agencies.

### FEISTY NOTE

Some thoughts...

\* Some people are going to be annoyed that there aren't too many trips listed this month. Actually, I'll be glad if they are annoyed. Maybe then someone besides the feisty editor will get on the activity chairpeople! Of course, some of the chairpeople have a hard time getting people to lead trips. Maybe those members who want to have more trips will decide to lead one. It's a two-way street!

\* If you're a person that needs a personal approach from the editor to turn in articles and trips - sorry, I didn't feel like playing games this month; I was much too busy with other things. Maybe you could learn to read the deadlines published above like every one else!

\* Has anyone noticed how feisty Pat Tieman, trips coordinator, can be when she really tries? Give 'em hell Pat! It gets results!

\* Now is the time to get involved with a great bunch of people; read the article about the positions that are open and see if you're interested in any of them. We could use the help. The feisty editor promises not to abuse volunteers for the Triangle!

\* If you've got ideas about things that you'd like to see in the Triangle, let me know. Only make sure that your ideas are (A) cheap, (B) easy, and (C) no extra work for the editor.

### ATTENTION TRIP LEADERS!

It is that time of the year when I can get feisty. I don't want to steal any of the feisty editor's thunder, but it is very important that I get all trip reports through September by the first week in October. I must turn in a report to National AYH in October and this determines our council's votes at National AYH meetings. That means that all you trip leaders for September trips, write up your report immediately after the trip (many leaders do the paperwork during the trip) and get it to me. You may deposit it in my box at headquarters, hand it to me at a meeting, or mail it to me. As I write this there are 20 reports overdue, dating from April, May and June. Even if your trip was cancelled, I need to know this, it saves me time and a phone call. I'll be looking for your reports. ...Pat Tieman, Trip Coordinator, 52 Greenbriar Dr., Pittsburgh, PA 15220

### OHIO BICYCLE MAPS AVAILABLE

The Ohio Department of Transportation has published the statewide bicycle map "Ohio Bicycle Users Guide". The map comes as a set of ten documents, dividing the state into 19 quadrants. With a scale of one inch equal to three miles, and a viable bike route indicated approximately every five miles, the maps are definitely worth their weight in weight.

The Guide is printed on a tear-resistant paper and folded to fit comfortably in a handlebar bag's map pocket. The entire set comes in a zippered, weatherproof bag.

The maps exceed the usual high quality maps produced by ODNR, are easily read and highly detailed.

The "Ohio Bicycle Users Guide" costs \$5.00 and can be ordered from the Bicycle Transportation Administration, 25 South Front Street, Columbus, Ohio 43215. Make checks payable to the Ohio Department of Transportation.

### GETTYSBURG ORCHARD CENTURY RIDE

The Gettysburg Bicycle Club is sponsoring an Orchard Century Ride on Sunday, September 21, in the scenic and historic area around Gettysburg. Registration begins at 7:00 am. The \$6.00 fee covers map, cue sheet, sag wagon, refreshments, and LAM century or half century patch. Choose from a flat to rolling half century or a demanding full century with hills and some long climbs. Ride starts at Bream Gymnasium Parking Lot (West Lincoln Avenue at railroad tracks) on the Gettysburg College Campus. For registration form and information send SASE to Mark Nesbitt, Box 126, Gettysburg, PA 17325. (The Gettysburg Hostel is near the Bream Gymnasium and would be a good place the Saturday night before the ride. Call the Hostel at (717) 334-1020 for reservations).

AYH beginning kayaking schools are held once a month, June thru September, each summer. These schools provide an introduction to the exciting sport of whitewater kayaking. They are open to complete beginners (those who have never been in a kayak before) and to those who have never kayaked on whitewater before. The schools last an entire weekend, and include an overnight stay at a youth Hostel. The first day of the school is spent learning the basic skills of kayak paddling on a nice calm lake. The second is spent developing those skills on a very easy (Class I-II) whitewater river. The date for the last 1986 beginner school is September 6-7. Space is very limited and preference will be given to AYH members, so sign up early. Call Lou Conley for additional informational.

### GET INVOLVED IN PITTSBURGH AYH!

The success of Pittsburgh AYH depends on our volunteers. Right now, we have particular need for the following people. If you can help, or would like more information, please call Larry Laude at 665-9554.

**FRANCHISE:** A person to work with the Membership Chair to mail out membership supplies to our membership sales agencies, collect their reports and checks, and to prepare a summary report once a month. (4 hours a month)

**HOSTEL REPORTER:** A person to put together the hostel news section of the newsletter. Most of the information would come from brochures releases, and newsletters that we get all the time from National, councils, and the hostels. Also, an occasional feature on local hostels. (3 hours a month)

**CLUB AND COUNCIL REPORTER:** A person to scan the newsletters we get from clubs and other councils for information that might be of interest locally. (3 hours a month)

**ADVERTISING:** A person to manage ads for the newsletter. This includes sending out bills, checking on ad renewals, and soliciting new ads. (5 hours a month)

**HOSTEL DEVELOPMENT COMMITTEE MEMBERS:** People to assist the Hostel Development Chair in reviewing and visiting possible new hostels that come to our attention, and to search for likely sites for hostels in areas where we think a hostel is needed, including Pittsburgh. We also need people from outlying areas of the Council (for example, those of you with zip codes not beginning with 15).

**HOSTEL OPERATIONS COMMITTEE MEMBERS:** People to assist the hostel operations chair (either regularly or occasionally) with managing the Chiopyle hostel and with keeping in regular communication with the other hostels (Lake City, Schellsburg, Jennerstown, Rural Valley, and Pittsburgh) in our area. We are especially looking for people who live near the hostels who can stop in from time to time to see how things are going. (1 to 3 hours a month)

### CAVING

John Popp 885-7126

Paul Herre 653-7934

Roy Provins 784-9127

Coon Cave is located high on Chestnut Ridge and is reached after an arduous hike. Enter through the upper entrance and scout your way through various passages to the "bat room" and the "big room", trying to avoid the water. Some formations may be seen in side passages. If you can't join us in September, try one of these trips in October: Oct. 12, Brady's Bend (beginner) and Oct. 25 Copperhead Cave (intermediate). Please sign up early, as available space and equipment is limited.

### SEA-DREAMER

Waist deep in water, legs braced  
the kayak becomes the lower half  
of a body with memories of porpoises:  
lean left the boat swings right  
as efficient as images when  
there is no time for paddle or thought.

In it now: the foaming tearing  
fingers of constricted fluid violence  
swarming between the rocks  
clutching, dragging, pulling, compelling.  
Keep to the smooth path, the sea road,  
the dark thread of the longing of the river  
for its end, emptying and release.

Midway in the rolling arched stinging  
crystalline, the hollowed rainbowed walls  
turning on themselves, contained  
by their violence against the air, the rocks,  
flashing sunlit railing raging.

The sound, compounded of hurricane and waterfall,  
sucks all breath into its mouth  
and disappears.

Some unknown place  
deep in the brain says it is unnecessary  
to hear -- and it becomes so still  
that the flute-sweet song  
of a redwinged blackbird shrills.

Now, so slightly, it is widening  
quieting. Eddies, backwashes, clear pools  
appear around the sides of boulders  
more frightening than the writhing water.  
Coiled, flaccid, inviting in stillness,  
they are more dangerous than the singing sluices.  
Hold to the dark ribbon, the sweet water  
the sea-dreaming...

### HISTORY OF AMERICAN YOUTH HOSTELS PUBLISHED

American Youth Hostels has announced the publication of American Youth Hostels' First Fifty Years: Young at Any Age.

This official history of AYH, written by Basil B. Warren, chronicles the founding of the organization in 1934 and its growth throughout the United States.

Young at Any Age relates the involvement of John D. Rockefeller, 3rd, with AYH and the endorsement of Franklin and Eleanor Roosevelt, along with the desire of founders Isabel and Monroe Smith to establish an organization which would foster international friendship and peace. AYH advocates the quality use of leisure as a means of gaining new knowledge of the world and how to act ethically within it.

Today, American Youth Hostels' membership has grown to over 100,000. AYH provides low cost accommodations in conjunction with educational and recreational travel programs. The U.S. hostel network has grown to include 268 hostels in 42 of the 50 states. No two hostels are alike -- from a train in Massachusetts to a lighthouse in California. Hostel sites vary from major urban centers to state and National Parks.

Young at Any Age is a useful reference for recreational groups, volunteer organizations and professionals interested in the development of nonprofit membership organizations.

Copies of Young at Any Age may be obtained by sending \$8.00 plus \$1.00 postage and handling to:

AYH History Book  
P.O. Box 37613  
Washington, D.C. 200013-7613

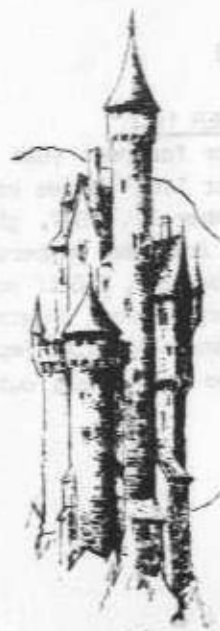

### 1987 MEMBERSHIPS AVAILABLE SEPTEMBER 1st!

This year, for the first time, memberships for next year will be available on September 1st instead of October 1st. Passes bought after September 1st will be good through December 31, 1987, giving you 16 months of hosteling for the cost of a one year membership. The cost remains at \$20 for a regular adult membership, \$10 if you're under 18 and \$10 if you're 60 or over. However, please understand that the 1987 passes will be accepted in U.S. hostels starting September 1st, the 1987 passes will not be accepted in hostels outside the U.S. until October 1st.

## THE PRESIDENT'S CORNER

At the August Activities Board Meeting, the rechartering of the Ohiopyle, Pittsburgh (Point Park), Lake City, Schellsburg, Jennerstown and Rural Valley hostels were approved. The Morton's have decided not to recharter the Mars home hostel, and recharter of the Fombell hostel was not recommended. The Activities Board to pay \$10 for hostel rechartering versus the \$50 recently imposed by the National Board. The standing committees for 1987 were approved, with no significant changes from 1986. A nominating committee consisting of Marianne Kasica (chair), Don Sheperd, Judy Menosky, Paul Herre and Bill Johnston was approved. The committee will be recommending members to fill committee chairs, offices and seats on the Board of Directors. The Goals Committee will continue as an ad hoc committee, and an ad hoc committee for Pittsburgh Council's 40th anniversary in February 1987 will be appointed in the Spring. The Board expressed the need for a more formal approach to rentals to members on other than Council trips to address the issue of replacing lost or damaged equipment. At Headquarters, thanks to Bob Buck for painting the front and back doors, to Tony Jordan for donating a fan, and to Gary Ludwig for installing an air conditioner and a lot of needed tree trimming. ... Larry Laude (412-665-9554)

## WORLD ADVENTURE

Overseas Travel With World Adventure, the AYH national trips program, is offering three great overseas opportunities in late 1986 and early 1987. Visit the Holy Land after the Christmas vacation traveling by van from Jerusalem to Tiberias investigating archeological sites, touring a kibbutz, swimming in the Dead Sea. Cost of the trip, including air fare from New York City, is \$1650.

Snorkel and beachcomb on the Yucatan Peninsula, swim at Cancun, bargain for native handicrafts at the island of Cozumel. Join an AYH bus trip on a fifteen day trip in early 1987 for the reasonable price of \$695.00 (from Houston).

For a catalog, stop by any Thursday meeting at AYH HQ, or send 88¢ in stamps to AYH World Adventure, 8300 Fifth Avenue, Pgh., 15232

## TRIPS & TRAILS

Trips listed are open to the public, AYH members are given priority. Trip costs include transportation, rentals, and a 75¢ registration fee (50¢ per half day or evening). IN ADDITION non-members are charged \$1.50 per day, which may be deducted from the cost of membership when joining AYH. The registration fee covers insurance (\$1000 medical/\$1000 accidental death or dismemberment).

AYH trips are led by competent people who volunteer their time and receive no financial reimbursement. If you'd like to go on an AYH trip, carefully peruse the trip calendar, then look under the activity write-up, where you may find more information. After you've read over everything, call the trip leader to reserve space on a trip.

Talk things over with the trip leader. Find out what you need to bring. Ask where you'll be going. How late will you arrive home? What is all this going to cost you? Remember, AYH trip registration runs 75¢ per day for members, \$2.25 for non-members. You are expected to bring enough money with you to cover carpool, registration, equipment rental, and any other expenses (we often stop at a restaurant on the way home).

AYH trips are geared toward individuals who independently sign up for trips. If you have a group that wishes to go, it is important for the leader to contact the trip leader early, and it may be necessary for the trip leader to speak with every tripper.
