SURVEY TIME

We know you are busy but can you spare a minute? If so, please fill out the Pittsburgh Council Questionnaire form which appears in this issue of the Triangle. This form was inspired by a much more detailed survey conducted by the Golden Gate Council out in San Francisco a couple of years ago.

One result of many surveys is rediscovering the fact that people do not answer surveys. Please fill it out, put it in an envelope and mail it to our HQ address. If you can bring it in on a Thursday meeting, please do so. Give it to somebody who looks official. If that fails give it to someone at the membership desk.

If you do not have enough space, it is small, please add an extra sheet for comments. One item that is not mentioned is our Council's 30th Anniversary in 1984; would you be willing to work on any special projects?

THANK YOU !

A Weekend to Remember (or Forget)

L Ejzak

T. O. S. R. V. is over for another year and, for those who went, congratulations for the effort. For those who have not heard by now, this year's tour of the Scioto River Valley was the worst tour that most persons could remember. Wind, 80° in the sun (ouch!), wind, 40° in the rain (brrr), wind, wind, and more wind. Headwind that is. Even Lon Haldeman said he had never ridden in anything so bad. We did have a hearty crew who completed the whole 210 miles: Chuck Ejzak, Paul Broger, Steve Lubbs, Fred Parker, Cliff Ham, Judy Merlosky, Lou Conley and Debbie Singer. Others who also braved the weather were Harriet Seiner, Jeff Marsh, John Hinderliter, Barb Murock, Matt Bartholomew, Aaron Ianzer, Lynn Ejzak, Marilyn Ham and Josh Wetzel. My apologies to anyone I missed, including our friends from the Western PA Wheelmen and the Pgh Bicycle Club. For a more complete list, see the 1983 AYH Century Club list on the cycling bulletin board. If you want on the list and did a century this year, talk to the author.

TRTBC Goes Bicycling

"IT WAS LIKE A GREAT HAIRY HAND PUSHING AGAINST YOUR CHEST" - A.T.

The burning sun, the numbing cold, the wind and the rain all combined to push TOSRV into the VALHALLA of the cycling world. Saturday was like riding into a desert windstorm with gusts to 35 mph and blaring heat. Sunday was rain, 44°F and chilling 35 mph, gusting headwinds. "Oh wow" was a common quote of the days and the ride. Broken spoke awards will be presented to all participants.

BIKE ORGANIZATIONAL MEETING

On Monday, June 13 at 7:30 pm at the home of Bob Schwartz, 110 Gordon Street in Edgewood. Carbo workshop following the meeting. Food donations gladly accepted.

WHITewater CLINIC

The Sixth Annual Three Rivers Paddling Club Slippery Rock Whitewater Training Clinic will be held on Saturday and Sunday, June 11 and 12. This clinic is for all levels of open canoes, kayaks and closed canoes. Equipment can be rented from the AYH for this clinic. Anyone interested may contact Lou Conley at 681-8321 or Doug Wall of TRPC at 823-4027.

KAYAK AUCTION

Three AYH kayaks are being auctioned off. See the notice under the kayaking trip listings for further information.
