## AYH WORKSHOP AND NATIONAL BOARD MEETING

The National Board Meeting and Workshop Session of the American Youth Hostels was held at the Arts and Crafts Center in Pittsburgh on December 5, 6 & 7. The National President of A Y H, Norman M. Littell, who is an attorney in Washington D.C., conducted the meetings. He was assisted by Justin Cline, National Executive Director. Betty Bierer, Pittsburgh Council Chairman, was in charge of the workshop.

Members from New York City, Buffalo, Boston, Cleveland, Detroit, Washington, Philadelphia, Harrisburg, Baltimore, Milwaukee and Canada were present. In all, 110 members attended the workshop.

Lynn Irick did a wonderful job of directing kitchen operations. The dinner was a huge success and very much enjoyed by all present. Lynn also deserves praise for her operation of a snack bar and for serving tasty lunches.

At the conclusion of Sunday's sessions, June Merritt, our most capable registrar, conducted a tour to points of interest in Pittsburgh.

Betty Bierer wishes to thank everyone who helped to make our Workshop one to remember.

Rosemary T.

## ANNUAL AYH ELECTION OF OFFICERS (PGH. ONLY.)

On Thursday November thirteenth, our Council, keeping in trend with the national politics, held its annual membership meeting at Headquarters, and elected some new, and reelected some of our former officers.

Since Betty Bierer was such a good leader, she has been reelected to be our Council Chairman.

Elizabeth Saffer, last year's membership Chairman is taking over the job of Treasurer which she handled so well in 1951.

Although Edith Caporali, our new secretary was not officially on the board before this year, she has already been a big help to the old officers.

Rosemary Thiebaut, the new Publicity Chairman, is another person who is coming in as an officer after she has been a big help to the outgoing officers.

You can see from the back of this page that Grace Kriner, our new Trips & Trails Chairman, is really starting out good with a new schedule of interesting trips for January and February.

Jim Zimmerman, as our new head of the Hostel Committee, will get our support for more and better hostels.

Jack Stein is out working already on the Thursday night programs as you can see by the list in this issue.

We're glad to see George Cohen on the board again as Membership Chairman.

Bill Comensky will keep the bikers well supplied and happy.

John Crables who has helped the Speakers Bureau previously, was elected as the head of that department.

Anyone interested in assisting on any of the above committees see the new chairman whose name is given above.
