NOTES FROM THE PRESIDENT

- I. There has been a fair amount of agitation for an extended ski trip this winter. One possibility is to go to Vermont for a week and stay at a hostel near the chosen ski area. Anyone interested in that sort of trip should contact BRUCE SUNDQUIST. Anyone interested in a weekend trip to an area nearer by (Western New York State, Blue Knob, etc.) should also see Bruce.
- II. Two experienced canoes are going to be sold this winter for \$100 and \$120. Anyone interested in buying one should see HOWARD KING. If no members are interested, they will be advertised and sold at a higher price.
- III. We need someone handy with a small brush to paint the window frames at headquarters this fall. See Bruce.
- IV. Pittsburgh Council is joining the West Va. Highlands Conservancy, an organization dedicated to the preservation and conservation of the natural, scenic, and historical areas of significance within the Highlands area of West Virginia (Allegheny Front, Seneca Rocks, etc.) A large number of outdoor, conservation, and naturalist organizations from Pittsburgh, Charleston, Washington, D. C., Baltimore, New York City and elsewhere formed this organization in January of 1967. It is open to individual memberships also. Many in the Pittsburgh Council should be interested in the activities of this organization. Write to: Thomas E. King, 120 E. Main Street, Bridgeport, West Va. 26330.
