TIPS AND TALES

by Joe Hoechner

"THE FLATTEST SPOT IN PENNSYLVANIA IS LAKE ERIE....."

-Unknown Bicyclist

Speaking of Erie, Joe Hoechner has a strange collection of leftover, rain-stained maps from his "Wet Winery Weekend" tour of last Labor Day. If anyone is interested in some riding and camping information around Northwest Pa's wineries, (located near the town of Northeast, Pa.) let Joe know at any Thursday night meeting.

The new order of Sleep Sheet Sacks should shortly show up at the Council Store. (does this mean we'll be short-sheeted? -ed.) If you are heading out this summer, don't leave town without one!!!! Price should be in the \$8-9 range with choice of sturdy cotton or slinky nylon being available.

A new organization is being formed out West and is seeking support from cavers all over the country. CAVECENTENNIAL is planning a trans-America caving route!!! Starting in San-Francisco's B.A.R.T. subway tunnels, they are seeking an underground route to link up with New York City's famous tube systems. Both natural and man-made formations would be used in an effort to traverse the U.S. without seeing the light of day. (A spokesplunker for the group admitted that travelling at night would be acceptable in areas with no caves)

WATCH FOR MORE DETAILS IN FUTURE ISSUES!!!!

Bad news, campers! The price of U.S. Geological Survey 'topo' maps went up from \$1.25 to \$2.00 PER COPY recently. They will still provide you with a free index map and order forms. Write to:

USGS
1200 South Eads St
Arlington, Virginia. 22202

Be sure to specify which state index map you would like.

Want to go away to summer swim camp? If you are an 'old timer' (over 25) you can go to a 'masters' swim camp up in New York state. For information, write to:

Skwim Swimming
Great Valley, N.Y. 14741

Or call 716/945-4179.

Watch for a 'Bikecentennial Bookstore' display to go on the bulletin board at HQ. Taken from the pages of 'Bike Report', the pages displayed will show not only bicycling books available, but also books dealing with physical conditioning, foods and fitness, etc. Xerox copies of their order forms should be nearby.

by Joe Hoechner

Pittsburgh Council AYH may have an opening for 'houseparents' at a new hostel site which is under study north of Pittsburgh. If you would like to apply, request an application from our Hostel Development Committee. Exact location is still a secret.....

POSITIONS AVAILABLE: OUTDOOR LEADERS (BICYCLING AND BACKPACKING TRIPS)

- PROGRAM:** Every summer MNYC-AYH sponsors over 150 bicycling and backpacking trips throughout North America, Europe, and the Mediterranean. We offer a wide selection of trips ranging in length from one to ten weeks, and in difficulty from moderately easy to extremely challenging. Whether it's a one week bike trip on Nantucket, a three week backpack in the Adirondack Mts., or a ten week coast to coast bicycle tour, AYH provides an opportunity to further your understanding of the world and its people in a unique and special way.
- RESPONSIBILITIES:** Each leader is responsible for a small group (7-10) of teens or adults. The problems as well as the joys that arise are yours and the groups to share. Each trip requires a different assortment of skills from the leader, and we are able to accomodate a wide variety of skill levels and experience in leader applicants.
- BENEFITS:** All trip expenses are paid and major equipment is provided. Leaders also receive a small daily stipend and are entitled to a 20% discount in our equipment store. Leading an AYH trip is an ideal opportunity for people considering a future career in outdoor education or recreation, as well as those who would just like to learn more about themselves and have a good time along the way.
- HOW TO APPLY:** Leader candidates must submit an application, complete an interview and attend one of our 6 day Leader Training and Evaluation Courses offered from mid-May through early July. These courses have an experiential foundation, with added emphasis on first aid and safety procedures; camping, backpacking and bicycle touring skills; environmental awareness; logistics of small group travel; and methods for facilitating personal growth and enjoyment.
- CONTACT:** For further information, a program brochure (trip listing) and/or an application please write or call:

FROM THE DESK OF THE PRESIDENT.....
(by Barry Govenor)

WHAT? ME GO RAFTING?????

Join Gus Hughes and Barry Govenor to learn the basics necessary to tackle Pennsylvania and West Virginia white water rivers.

Meet at HQ on Wednesday, May 19 at 8:00 pm...sharp! We will discuss and teach principles of water safety, 'swimming' rapids, proper paddling techniques, river 'reading' and more.

No need to reserve, but may call Barry at 421-7114 evenings, should you have any questions.

TRAILS COORDINATOR NEEDED

If you have knowledge of Pennsylvania trails or are interested in helping Pittsburgh Council in this area, call Barry Govenor (421-7114) or Cliff Ham (687-4520) for details.

CARDIOPULMONARY RESUSCITATION (CPR) CLASS

The Greenfield Organization would like to identify the interest for a class in basic CPR in early May. This class will be offered at the Greenfield Organization by the American Heart Association. If you are interested in taking CPR, please contact the Greenfield Organization at 422-7800.

LEADERSHIP DEVELOPMENT CO-CHAIRPERSON SOUGHT

If you have some time to donate to Pittsburgh Council and would like to strengthen our leadership development program, please call Barry Govenor at 421-7114 or Jane Toben at 466-7885. Duties would deal mainly with the set-up of 'schools' for potential and experienced leaders and would entail the coordination of participants and instructors as to time, place and so on. Please call for details.

A NOTE ON COURTESY

The success of the recent spring banquet can be attributed to MUCH additional effort on the part of Lori Orndorff, who found herself in a quandry one week prior to the event with a very limited number of reservations having been sent to her at that point. Similar problems have been faced in the past with other 'special events' such as the fall picnic and Morgantown weekend, and anyone who has been in the position of trying to provide food, lodging and transportation for an estimated 30-75 persons without knowing specific numbers until the very last minute can identify with the urge one might have to 'throw in the towel'.

These events are sponsored for your benefit and your enjoyment. If you plan to attend, please be PROMPT when returning your reservations. The people in charge of these events sacrifice a lot of time and expend alot of energy to see that all goes well. Show your appreciation by providing the requested information in a timely fashion.

P.S. Thank-you Lori for a great banquet...and your forbearance!!!

YOGA CLASSES will be held on Thursday evenings at 7:00 sharp. Please bring a towel and do not eat a full meal before class. Please call Jane Kowarsky at 521-4946 if you have any questions. All are welcome.

CARDIOPULMONARY RECUSITATION (CPR) TO BE OFFERED AGAIN

Recently a number of interested AYH members attended two four hour sessions to become certified in cardiopulmonary recusatation (CPR).

If you are interested in CPR certification and/or are thinking of becoming a trip leader for AYH, this program can be presented again and can be located at Pittsburgh Council's headquarters.

It will be necessary for us to inform those who will be administering the program of the number of people with whom they will be dealing so that they can make the necessary arrangements concerning equipment which will be required, etc.

Tentatively, the time for the program will be two Mondays in June, approximately 6:30-10:30. Which Mondays will be determined by your response to this article.

Please call me by May 15 to confirm your interest.

Thank you

Barry G. Govenor
