APR-MAY-JUN 2012

Obituary -- American Youth Hostels - Pittsburgh Council

The end of an era - and a long era at that! The last weekly meeting of AYH was held on June 3, 2004 to a packed house, including members dating back to the 1950s. The first weekly meeting was held in the 1930s and, except for a several-year lapse during WWII, had been held weekly ever since.

The cause of death was bankruptcy caused, in turn, by its Pittsburgh hostel on the south side. It was a Black Hole for money as it turns out, pretty much like its Ohiopyle hostel. Below is a bit of history and a biopsy.

AYH's main (and sizeable) contribution to the quality of life in this area has always been its outings program - a lively mix of hiking, bicycling, flatwater canoeing, whitewater canoeing, kayaking, caving, climbing, ski-touring, backpacking and a few others (kite-flying??), plus countless schools in many of these activities. AYH built the Baker Trail and the Rachel Carson Trail that could take one from Pittsburgh to Allegheny National Forest. AYH published numerous editions of numerous guides to hiking and canoeing in the region. Its extended trips in the summer took many of us on unforgettable trips such as backpacking on Mt. Rainier, the Olympic Rainforest, the Olympic Seashore, the North Cascades and Rocky Mtn. National Park, cycling hostel-to-hostel in New England, hut-hopping in the White Mountains, white-water canoeing and sail-canoeing on the streams and lakes of Wisconsin and countless others. No one will ever know how many multi-decade-long friendships came out of the delights, camaraderie, trials and tribulations of all those thousands of trips. Calamity Rock in the Cheat Narrows was named for a terrifying rafting episode on an AYH trip. White water canoe trips have been known to arrive, still cold and wet, back in Pittsburgh around 4 AM. There was a broken back on a bicycle descent off of Pittsburgh's Mt. Washington, and a nasty altercation between a bicycle and a pickup truck.

AYH always had its ups and downs. At times its weekly Thursday evening meetings saw people packed shoulder-to-shoulder watching slide shows of past adventures and listening to 8-10 trip leaders advertising the adventures they had planned for the weekend. At other times the organization was held together by 3-4 people struggling to get the club back on its feet. A lot was learned about the dynamics of "volunteer associations" (as such organizations are called). One example of many: A preoccupation with social aspects and beginner-oriented trips foretells an impending collapse. A focus on substantive outdoor-oriented adventures and pleasures means another growth spurt toward a membership size that tends to attract the purely socially oriented.

AYH was always a down-to-earth, low-budget operation that attracted people of like mind. Its headquarters/ meeting room was a former Mellon estate chicken coop built on the property line with the Marshal mansion (now Arts Center), apparently as a result of some sort of feud. Outings had always been profitable, even with trip fees of \$0.25 to \$1/day, canoe- and bicycle rentals of a few dollars per day, and sales of modestly-priced trail guides. This combination of profitability and frugality might well have been AYH's undoing. The several hundred thousand dollars in savings generated over the decades was perhaps too much of a temptation to the hostel-oriented faction of the club. (AYH always had an uneasy split personality.) They grabbed control of the club, abolished the Activities Board (that had always handled the day-to-day operations of the club) and sunk everything into a highly leveraged hostel. The rest is history.

**Baker Trail and Rachel Carson Trail
Trail Maintenance Opportunities for 2006**

The Pittsburgh Council, American Youth Hostels, conceived and built the Baker Trail in the late 1940's and dedicated the Trail in 1950. It was built by returning war veterans who envisioned a network of "youth hostels" along the Trail where the youth of the world could find safe, inexpensive shelter while touring rural America on foot. Today the Trail is 141 miles long and extends from Freeport, PA to the Allegheny National Forest, and traverses Cook Forest State Park, several State Game Lands, Kittanning State Forest, the Mahoning and Crooked Creek Army Corps of Engineers projects, and several local recreation facilities. All AYH members are asked to spend one day a year helping us maintain the Trail. The Baker Trail is 100% volunteer-supported. We use no Federal, State, or Local government funding. Right now the trail needs AYH members who would like to participate in trail crew maintenance activities. Please contact Steve Mentzer SGMentzer@TrueCommerce.com

Adopt-a-Trail Volunteers needed. We also need volunteers to become trail stewards who are willing to adopt a 3-5 mile long section of the Baker Trail. Trail stewards will be independently responsible to work on their section of the trail on their own schedule. Responsibilities include painting yellow blazes on the trail once a year, picking up debris and trash off the treadway, and trimming vegetation away from blazes. Optional skills include chain saw work, shelter repair (we have 10 overnight shelters on the trail that require yearly maintenance—adopt a shelter as your own personal project) and/or you can build bridges, sidehill supports, benches, and other trail amenities. Regardless of the level of your effort, you would be expected to walk your trail section twice a year, preferably once in the spring (April, May) and once in the fall (September, October). All expenses for supplies-paint, brushes, etc.-are reimbursed.
