On Tuesday, October 7, 1980,  
The Activities board met at the home of Carol Davis. Fourteen members attended. The Minutes were approved as printed in the Triangle.

Laurelville has renewed its charter till the end of 1981 to give us time to find a replacement for them. Joe Hoechner is investigating sites on the Amtrak route in the area of Greensburg or Latrobe. All hostels in this area have renewed their charters for 1981.

The Bureau of Travel Development, Harrisburg, has given us permission to install our brochures in their information centers for distribution. Members who wish to deliver brochures to the centers as they travel should contact Joe Hoechner.

A committee consisting of Joe Hoechner, Cliff Ham and Ed Schulz are continuing to search for alternate sites for headquarters and storage.

Openhouse at Ohiopyle will be Sunday, October 20, from 2 to 5 pm. Help is needed for rewiring, insulating, cutting trees and firewood as well as preparing for the openhouse and hosting. Announcements have been sent to regional newspapers and radio stations.

Joe Hoechner began negotiations with Father Friday of Gilmory Retreat Center, located about 3 miles beyond the airport on Flogarty Run Road, to charter it as a hostel. There are accommodations for about 100 in dorms and cottages, with refrigerator, stove, sink and lounge in each, school building, and cafeteria style DR. Activities Board Members can see the location on their way to the next meeting at the Omlor's.

Barry Gove, nor reported that he, Joe Hoechner, and Jane Toben attended the Eastern Regional Meeting in Philadelphia. By-laws were adopted and the Eastern Region was Chartered. It was recommended that: 1. Councils and Activities Board Chairmen examine the provisions of the liability insurance coverage. If an activity is excluded from coverage, the council should obtain other coverage. Both New York Metro and Delaware Valley Councils have found it necessary to obtain additional coverage. 2. Presidents and advisors of Hostel Clubs should be invited to Activities Board Meetings. 3. There should be a coordinator for hostel clubs. Our service chairperson handles this. A list of goals for hostel development was issued. The National Meeting will be in New York City at the Prince George Hotel in December.

Hostel week will begin May 2, 1981. Bicycle rides, hikes, or a great race were suggested to celebrate.

Cliff Ham reported that the National Board met at Nantucket, Star of the Sea Hostel. National gave \$125,000 to restore these historic buildings, matching grants were received. Facilities are very nice, but limited (15). The Board adopted a \$1 million budget, up from \$750,000. Through August 82,000 passes were sold, plus 2700 Family passes, Sr. Citizen passes, 3 year passes, and 10,000 existing life passes. The travel program was well supported this year. The 8th floor of the Washington, D.C. Hostel will be remodeled for National Headquarters at a cost of about \$30,000. Travel arrangements will be shared with Icelandaire. The Delaplane Building is for sale for \$600,000. Emphasis will be placed on having more and larger councils to carry out AYH Programs.

The nominating committee reported that a Triangle editor, a Trails Coordinator cochairman, and additional membership cochairmen are needed.

Barry Govenor. moved that the Nominating Committee prepare a biography of each Activities Board chairperson to be printed in the Triangle. Joe Hoechner seconded. MOTION PASSED.

Stever Martin reported that AYH will have 2 courts for volleyball at Taylor Allderdice High School each Tuesday evening from 6 to 9 pm. There will be a charge of 50¢ per person per evening to cover the cost of equipment which we must furnish ourselves.

Cliff Ham, Environmental Coordinator announced that Penna. DER has issued a new state Trails map—covering cycle, hike, riding and all other types of trails. A Trails Council Steering Committee has been set up to take over trail development and administration.

Activities Board will meet WEDNESDAY, November 5, at the home of Vi and Bob Omlor, 231 Glen More Drive, Coraopolis.

Meeting adjourned at 10:25.

Save energy and money this winter!

Instead of leaving your goose down bag stuffed in its bag all winter, lay it out on your bed, quilt fashion.

It will help keep you warm so you can keep the heat down. Keeping the bag open will also lengthen its lifespan and improve loft.

Our new calendar -- CONSERVE 81 -- is fresh off the press.

## New Hostel Site Sought

-J.H.

Based on predictions from National AYH, Rail and Bus will be the major means of transportation used by foreign hostellers. Combine these predictions with the new Amtrak train, the Pennsylvanian, and there will be more people than ever riding trains in Penna. (Buses have always been popular).

By checking a train schedule, you'll see that the next stop out of Pgh. is Greentown, on the edge of the Laurel Mts. served by both rail and bus, and adjacent to the Turnpike via Rt 119. Latrobe would be a second choice location (for a new hostel) since it gets only half of the train service that Greentown does.

Hostel Development Chair Joe Hoe. is seeking input regarding this site from members. If you live in one of these areas, your help and comments would be most gratefully accepted.

Please call Joe at 828-5399 or write to him at the AYH address. Please do not initiate contact with owners of a property that you think would serve as a hostel. Describe the bldg. and its location to Joe, and he'll check it out.

For Sale: J.C.Penney Backpacking tent, about 6 pounds with stakes, poles, cords, rainfly and groundcloth. Price:\$40. Also Downhill skis, boots, poles, carrying bags. Price:\$75. Call Joe at 828-5399.

## New Headquarters - Again?

-J.H.

A Headquarters Search Committee is in the process of being formed to locate a replacement for our current HQ Bldg.

Briefly, we would need:

- Auditorium seating for 100-125
  - Separate lounge space with seating & space for displays
  - Office space for records, publications, & Membership
  - Toilet facilities (no showers)
  - off street parking & loading zone
  - Low rent in exchange for caretaking
  - Central/East End Location of Pgh
- Comments or Suggestions? Contact Jim Gogots or Joe Hoechner any Thurs nite

## Cartographer Wanted!

Bicyclist Joe Hoechner is seeking the help of a map-person to transform his notes and scribbles into works of art.

If you have any drafting ability, knowledge of map reading and the needs of bikers, this could be your big chance! Joe has a small collection (any more out there?) of bike routes in various formats. These can be redrawn & clarified into a more professional style.

Joe has many examples of styles to follow. There are many bike tour sets already mapped for various parts of the country - except W.Pa!

If you'd like to help, call Joe @ 828-5399, or speak up at Open House.
