APR-MAY-JUN 2011

Obituary -- American Youth Hostels - Pittsburgh Council

The end of an era - and a long era at that! The last weekly meeting of AYH was held on June 3, 2004 to a packed house, including members dating back to the 1950s. The first weekly meeting was held in the 1930s and, except for a several-year lapse during WWII, had been held weekly ever since.

The cause of death was bankruptcy caused, in turn, by its Pittsburgh hostel on the south side. It was a Black Hole for money as it turns out, pretty much like its Ohiopyle hostel. Below is a bit of history and a biopsy.

AYH's main (and sizeable) contribution to the quality of life in this area has always been its outings program - a lively mix of hiking, bicycling, flatwater canoeing, whitewater canoeing, kayaking, caving, climbing, ski-touring, backpacking and a few others (kite-flying??), plus countless schools in many of these activities. AYH built the Baker Trail and the Rachel Carson Trail that could take one from Pittsburgh to Allegheny National Forest. AYH published numerous editions of numerous guides to hiking and canoeing in the region. Its extended trips in the summer took many of us on unforgettable trips such as backpacking on Mt. Rainier, the Olympic Rainforest, the Olympic Seashore, the North Cascades and Rocky Mtn. National Park, cycling hostel-to-hostel in New England, hut-hopping in the White Mountains, white-water canoeing and sail-canoeing on the streams and lakes of Wisconsin and countless others. No one will ever know how many multi-decade-long friendships came out of the delights, camaraderie, trials and tribulations of all those thousands of trips. Calamity Rock in the Cheat Narrows was named for a terrifying rafting episode on an AYH trip. White water canoe trips have been known to arrive, still cold and wet, back in Pittsburgh around 4 AM. There was a broken back on a bicycle descent off of Pittsburgh's Mt. Washington, and a nasty altercation between a bicycle and a pickup truck.

AYH always had its ups and downs. At times its weekly Thursday evening meetings saw people packed shoulder-to-shoulder watching slide shows of past adventures and listening to 8-10 trip leaders advertising the adventures they had planned for the weekend. At other times the organization was held together by 3-4 people struggling to get the club back on its feet. A lot was learned about the dynamics of "volunteer associations" (as such organizations are called). One example of many: A preoccupation with social aspects and beginner-oriented trips foretells an impending collapse. A focus on substantive outdoor-oriented adventures and pleasures means another growth spurt toward a membership size that tends to attract the purely socially oriented.

AYH was always a down-to-earth, low-budget operation that attracted people of like mind. Its headquarters/ meeting room was a former Mellon estate chicken coop built on the property line with the Marshal mansion (now Arts Center), apparently as a result of some sort of feud. Outings had always been profitable, even with trip fees of \$0.25 to \$1/day, canoe- and bicycle rentals of a few dollars per day, and sales of modestly-priced trail guides. This combination of profitability and frugality might well have been AYH's undoing. The several hundred thousand dollars in savings generated over the decades was perhaps too much of a temptation to the hostel-oriented faction of the club. (AYH always had an uneasy split personality.) They grabbed control of the club, abolished the Activities Board (that had always handled the day-to-day operations of the club) and sunk everything into a highly leveraged hostel. The rest is history.

ROCK CLIMBING

Important Notice / Rock Climbing

We regret to inform our members that the Pittsburgh Council is no longer able to sponsor any rock climbing activities for insurance reasons. Our liability insurance is provided through the National AYH organization. After lengthy discussions with National’s insurance carrier, we have been notified that a number of activities classified as “high risk” have been excluded from our coverage effective 1 April. While National was successful in negotiating the removal of several activities (such as ice-skating and cross country skiing) from the initial list of exclusions, they were ultimately unsuccessful in being able to have rock climbing covered. While we are disappointed with this exclusion, we have no choice but to stop sponsoring all rock climbing activities. Thank you to all of the volunteers who assisted in the organization and operation of the rock climbing activity over the years. It would not have been possible without you. Discussions are underway with other activities organizations that may be able to sponsor rock climbing activities. For more information, please contact Chuck Jones at charljonz@excite.com or (412)766-4036 or Annie Jones at (412) 303-1793. Please call before 10 o'clock at night. <http://www.wpfi.org/>

While it is unfortunate that we will no longer be able to sponsor rock climbing, we would like to remind both members and non-members of the great activities that we sponsor, and encourage everyone's continued participation.

Sat. Mar. 19 ~ Black's Run on Barking Slopes; this is a 10-11 mile-long loop hike starting in Oakmont's Dark Hollow Woods and making use of numerous trails and non-trails. The highlight is Allegheny Land Trust's 230-acre Barking Slopes Biological Diversity Area located on the left descending bank of the Allegheny River. Awesome views of the river valley are available from the trails. The property includes the ridge and steep slopes along the river as well as the relatively steep-walled, forested valley and stream known as Black's Run. This hike is rated as strenuous and you should not come unless you have hiked a similar distance on hilly terrain within the last 12 months. Call Jim Ritchie at 412-576-0849 for more information and reservations.

Sun. Mar. 20 ~ Do a moderate 7+mile loop hike in Deer Lake County Park. Distance depends on weather conditions. The trail goes past the County Observatory and a small lake. Meet in Harmarville behind Bob Evans Restaurant. Ask the leaders about meeting time. Call Judy or Don Ziegler, 412-826-0519.

Sat. April 9 ~ Do an easy 6-8 mile hike in Keystone State Park. Meet at the bathhouse parking lot at 10 AM. Call Diane Neely, 724-459-3012

Sat. April 16 ~ Canoe- and Kayak to Murphy's Island near Freeport. We will have a cookout and a nearby hike. Canoes, kayaks and life preservers are provided. \$4.00 carpool - 20 miles from Harmarville. Meet at Bob Evans Restaurant in the parking lot behind the restaurant at 10 AM. Limit 10. Call to reserve because equipment is limited. Call Ed Divers, 412-828-5154.

Sun. April 17 ~ Hike an intermediate 8.5 miles on the north end of Laurel Highlands Trail from Seward to the radio tower and return. Most of this route runs along the south rim of Conemaugh Gorge where the Conemaugh River cuts through Laurel Ridge. Views should be great this time of year. The earliest wildflowers should be appearing and we should see remnants of the historic quarrying operations that were once active there. Suggested Carpool fee \$8.00 - 51 miles. Call Donna Allen, 412-372-2993

Sun. April 23 ~ Enjoy a 11-mile loop hike in Frick Park, Homewood Cemetery and Schenley Park. Call John Dern, 412-856-4642.

Sat., Apr 30 ~ The Four Forks of Mill Creek; One of my favorite hikes, taught to me by a legendary Sierra Club trip leader, this hike is on the western slopes of Laurel Ridge, north of Laughlinton. Mill Creek has four forks: the North Fork, the South Fork, the Left Fork, and the Right Fork. The trick is to try to hike to all four forks in one day, requiring a trek of about 12-14 miles and substantial bushwacking. If you are up for this kind of challenge, call Jim Ritchie at 412-576-0849 for more information and reservations.

Sun. May 1 ~ Easy 1.5-mile hike (2 hours) in Seldom Seen Greenway (Beechview Area). Meet at the far end of Brashear High School's parking lot at 590 Crane Ave. in Beechview at 1:30 PM. Call John or Kathy Murphy, 412-341-9367, or Bill Lawrence, 412-922-3951.

Sun. May 8 ~ Do an intermediate 8-mile loop hike in North Park. Meet in Harmarville behind Bob Evans Restaurant. Contact the leader to learn the meeting time. Call Judy or Don Ziegler, 412-826-0519.

Sat. May 14 ~ Hike about 6 miles on the trails of the North Woods Area in Forbes State Forest on Laurel Ridge. Meet at the Donegal McDonalds on Rt.31 at 10:30 AM. If you prefer to organize carpools at the Gateway Middle School in Monroeville, contact the leader. Suggested carpool fee for Monroeville carpools \$6.00 for the 31 miles each way. Call Diane Neely, 724-459-3012.

Sat. May 14 - Sun. May 15 ~ Beginners' backpacking trip in Quebec Run Wild Area of Forbes State Forest on Chestnut Ridge. Much of the route will be along the more scenic streams of the area - Mill Run, Quebec Run and possibly sections of Tebolt Run. The area will be in the greening-up stage and wildflowers should still be abundant. We will camp out on the banks of scenic Mill Run, hopefully in a grove of large hemlocks. We will do 4.7 miles on Day 1 and 4.1 miles on Day 2. There is one long steep trail near the end of the trip but there is a sneak route if you choose. We should have time to check out the remains of an ancient gristmill along Mill Run. This trip will qualify you for more advanced trips in Monongahela National Forest where scenery is more spectacular than anything in Pennsylvania. Limit: 12. Suggested carpool fee \$11 -- 65 miles. Meet at Gateway Middle School at 8 AM. Directions to the trailhead will be provided to signups, and topo maps showing trail routes will be handed out at the trailhead. Contact Bruce Sundquist, 724-327-8737 or bsundquist1@windstream.net This will be a joint trip with Pittsburgh Hiking Meetup Group so there may be a waiting list.

Sun, May 22 ~ Hiking at Laurel Mountain. We have Laurel Ridge, Laurel Mountain, Laurel Hill, Laurel Summit and more. These are names attached to places on the map. Laurel Mountain usually refers to the area in and around the Mellons' old Laurel Mountain ski area, on Summit Road, off US Route 30. We'll start hiking at the XC ski warming hut along Summit Road and maybe head down Beam Road to Laurel Summit, make a pass at Wolf Rocks, and then maybe take Edy-Rector Road down into Linn Run valley. Or maybe not. The only real agenda will be the starting point. This will be an intermediate-level, 8-mile, shuttle hike starting in the Laurel Mountain area. Call Jim Ritchie at 412-576-0849 for more information and reservations.

Sat. May 28 to Mon. May 30 ~ Backpacking on Dolly Sods North. This area of Allegheny Front is higher, more open, and more scenic than Dolly Sods Wilderness that is just to the south. We will do only about 16 miles over the three days to allow for exploring and sight-seeing. This is meant to be a fairly leisurely trip, but even then, the area is no place for beginners. So prior backpacking experience is required. We will be on, or close to, the Eastern Continental Divide for about a third of the trip. The trailhead on Day 1 is in the Bear Rocks parking lot on FR75. We will start with lunch atop Bear Rocks with its views over numerous ridges to the east and Dolly Sods North to the west. We take Bear Rocks Trail and Raven Ridge Trail through high, open, country to our campsite that is well hidden just off the trail in a spruce grove at a high point of Raven Ridge. This Raven Ridge campsite offers views of Allegheny Front to the east (including Bear Rocks) and Cabin Mountain to the West. These mark the eastern rim and western rim of the huge bowl that defines the Dolly Sods area. The campsite also provides broad views of the headwaters of Red Creek to the east, and Left Fork of Red Creek to the west. There are few better areas in the Mid-Atlantic States for stargazing that this campsite. Day 2: Take Rocky Ridge Trail along the crest of Cabin Mountain. It offers broad vistas of Canaan Valley and the drainage of the Left Fork of Red Creek. It is one of the most outstanding trails in Dolly Sods North. We then drop down to cross Left Fork and proceed to the Forks of Red Creek and the most popular campsite area in Dolly Sods Wilderness. A huge natural water slide, some waterfalls and several swimming holes are some attractions. On the second night of three-day weekends the campsite is not crowded. Day 3: Return to the cars via Red Creek Trail, Blackbird Knob Trail, Upper Red Creek Trail, Dobbins Grade Trail and Bear Rocks Trail. Lunch will again be on Bear Rocks. Weather (even

(Continued on page 5)

(Continued from page 4)

summer weather) at this high altitude can be severe. Recent years have seen more bear warnings (bears invading campsites) but, with a sizeable group, this should be no problem. Limit: 12. If you want to learn more about this outstanding area, read pages 185 to 200 of Edition 8 of Monongahela National Forest Hiking Guide put out by the West Va. Highlands Conservancy (paperback, or CD). Visit <http://www.wvhighlands.org>. A carpool fee of \$25 is suggested for the 145-mile (each way) trip from Monroeville. Contact Bruce Sundquist at 724-327-8737 or bsundquist1@windstream.net. A detailed 4-page trip sheet plus road directions to the trailhead will be sent out about a week before the trip. Topo maps showing all the trails will be handed out at the trailhead. Depart Monroeville (Gateway Middle School) at 7 AM Saturday; return between 6 and 7 PM Monday (depending on whether we stop for supper).

Sun. June 5 ~ Cycle Ghost Town Trail Bike path along Blacklick Creek in Indiana County from Blacklick to Dilltown and return. 26 miles round trip. Suggested carpool fee \$5.50 - 37 miles. Call Donna Allen, 412-372-2993.

Sun. June 12 ~ Do a 6+mile loop hike in Harrison Hills Regional Park. Meet in Harmarville behind the Bob Evans' Restaurant. Ask the leader about meeting time. Call Judy or Don Ziegler, 412-826-0519.

NOTES: Ask the leader for names and phone numbers of trippers for you to arrange a car pool. Reserve at least 36 hours in advance. If you leave your phone number on the leader's answering machine, give it slowly and clearly. Notify leader to cancel your reservation. Bring lunch, rain gear, water, first-aid kit, small flashlight and extra clothes for changes in weather. If you have a cell phone, bring it along. Cell phones have saved the day on several trips when accidents have required evacuation of trippers. Sierra Clubbers planning to lead outings during 1/1/10 - 3/31/10 should contact Bruce Sundquist at 724-327-8737 or bsundquist1@windstream.net by 12/15/10.

SAILING

The AYH no longer owns its own sailboats or runs trips but Bob Zavos will help coordinate sailing interests with other area organizations. The Moraine Sailing Club (MSC) is the largest local sailing group. Most activities are on Lake Arthur in Moraine State Park which is about 35 miles North of Pittsburgh. They offer education, social events and run a youth summer sail camp. They also have a large racing program and sponsor a Community Sailing Program for people without their own sailboats. They help organize/publicize Cruising Trips, but do not officially sponsor them. More information is on their website at www.morainesailingclub.org. Big boat sailors may want to check out the Erie Yacht Club: www.erieyachtclub.org or the Erie Bayfront Center for Marine studies: www.goerie.com/bcms

Moraine Preservations Fund (MPF), is looking for volunteers to help with the 50 passenger pontoon boat which they run on Lake Arthur in the Summer. It is used for scientific hands-on field trips for students and summer and fall tours for the public. They are looking for people interested in becoming volunteer mates and captains. You will need to have a boater's safety class, which you may already have taken or is easily available locally. To be a mate you must be 16 and 18 to be a captain. The boat training is given by experienced MPF captains, and you will be tested and licensed by the Fish and Boat Commission. The times and amount of time you would volunteer is completely by your choice. Even limited help is appreciated. If you have questions or would like to sign up, please contact Ruth Roperti at 724 843 7046, or email: missionmorain@zoominternet.net

The 6th annual **Lake Arthur Regatta is scheduled for August 14 & 15**. This is one of the largest water and boating related activities in the area. Mark your calendars and look for more information later in the season on the MSC Website or the Butler County site: www.visit-butler-county-pennsylvania-pa.com/

**Baker Trail and Rachel Carson Trail
Trail Maintenance Opportunities for 2006**

The Pittsburgh Council, American Youth Hostels, conceived and built the Baker Trail in the late 1940's and dedicated the Trail in 1950. It was built by returning war veterans who envisioned a network of "youth hostels" along the Trail where the youth of the world could find safe, inexpensive shelter while touring rural America on foot. Today the Trail is 141 miles long and extends from Freeport, PA to the Allegheny National Forest, and traverses Cook Forest State Park, several State Game Lands, Kittanning State Forest, the Mahoning and Crooked Creek Army Corps of Engineers projects, and several local recreation facilities. All AYH members are asked to spend one day a year helping us maintain the Trail. The Baker Trail is 100% volunteer-supported. We use no Federal, State, or Local government funding. Right now the trail needs AYH members who would like to participate in trail crew maintenance activities. Please contact Steve Mentzer SGMentzer@TrueCommerce.com

Adopt-a-Trail Volunteers needed. We also need volunteers to become trail stewards who are willing to adopt a 3-5 mile long section of the Baker Trail. Trail stewards will be independently responsible to work on their section of the trail on their own schedule. Responsibilities include painting yellow blazes on the trail once a year, picking up debris and trash off the treadway, and trimming vegetation away from blazes. Optional skills include chain saw work, shelter repair (we have 10 overnight shelters on the trail that require yearly maintenance—adopt a shelter as your own personal project) and/or you can build bridges, sidehill supports, benches, and other trail amenities. Regardless of the level of your effort, you would be expected to walk your trail section twice a year, preferably once in the spring (April, May) and once in the fall (September, October). All expenses for supplies-paint, brushes, etc.-are reimbursed.
