THE IDAHO SHELTER IS OPEN FOR BUSINESS

Boy Scout Troop #91 spent a day doing trail maintenance and got a little, well a lot, wet at the end. (If following a Baker Trail Guide, check out section 4.) The first crew blazed a side trail from the right of the industrial complex up to the Idaho Shelter with white, round blazes. They opened a path through the downed trees and years of plant growth. They assembled a new picnic table and cleared up the area in general. They made a fire pit and built a fire in it in the rain! I was impressed! The second crew pulled an old rotting Baker Trail Sign from the Route 210 crossing and replanted a new signpost thanks to Walter Tereszkievicz, AYH's official sign designer and maker. They blazed the stand of pines and cleared the debris for an easier route; weed whacked as necessary and then continued blazing and lopping along the tree farm. The third crew planted a new double blazed signpost, again thanks to Walter, on Pine Hill Road directing hikers from the road left into the woods. They weed whacked, lopped and cleared the trail as necessary, and a couple of Dad's cleared many downed trees along the way! Their efforts and spirits were tremendous among the raindrops! They were a great crew consisting of Frank Russo, Anthony Russo, Mike Cass, Jonathon Chastek, Mike Cornell, Joshua Gaston, Bob Kuntz, Chris McCutcheon, Ian Neumann, Joshua Wing. They were accompanied by a fellow Eagle Scout, Bryan Cass and were led by a great group of dad's consisting of Paul Cass, Bob Kuntz, Bud McCutcheon, Jeff Neumann. They were all given a Service Award from the American Youth Hostels for their efforts!

That night we hiked up to the Keystone Power Plant where a fellow Scout Leader from Indiana PA, Roy Craft, gave us an in-depth tour. Quite Impressive!

MANY THANKS TO ALL PARTICIPANTS!!

A special thanks goes to the landowner Joe Kaczor of West Penn Diesel where the shelter resides, for his continued support of the Baker Trail and Mitch who lives near and watches over the shelter.

If anyone is interested in an easy one night Backpacking trip (about 6 miles) starting at Rt. 422 and finishing at the Idaho Shelter, call Patty Brunner 724-325-3224.

REMEMBER THAT HIKERS *NATURALLY* MAINTAIN A TRAIL! COME HIKE THE BAKER TRAIL!

STAYING IN TOWN THIS SUMMER?
Meet international visitors at the Pittsburgh International Hostel and get to know our neighbors in the community by getting involved this summer. How?

How about a part-time job or an internship? Perhaps you have a volunteering idea? We'd love to here it and have lots of our own ideas of how to keep you busy this summer! Some are listed below. Because we are a non profit organization, by prior arrangement we might even be able to help YOU out with community service hours or academic credit for your volunteer time.

VOLUNTEERING
Like last year we have a double dose of fun on the weekend of July 24-25 and we need your help getting ready for it. The Hostelling Spirit will be alive and well on that weekend. Come and join the fun!

Allentown Community Day - Saturday, July 24, 1999
Talk about HI-AYH with neighbors, friends and guests. Tentatively scheduled from 10-6. Volunteers are needed to give tours of the Hostel, staff an information table and talk about your HI-AYH and hostelling experience. This year we'd like to make the hostel "the place to be." Ideas for creating some "street fun" in front of the Hostel include: international costumed acoustic musicians, vendors, information about travelling and outdoor adventures provided by other non profit organizations. Interested people should call the Hostel.

Great Ride - Sunday, July 25, 1999
Remember that YOU CAN STAY at the Pittsburgh International Hostel too! We're encouraging you to do so this year by offering a Great Ride Rate of \$20.00 per night including a meal! Stay with us the night before the Great Ride (Saturday, July 24) and we'll provide dinner that night and breakfast the next morning (the day of the Ride!) After you've completed the Great Ride on Sunday, July 25, stay overnight and we'll provide dinner and an opportunity to share your stories from the Ride.

Whether you live in Pittsburgh and have friends coming to town to join the Great Ride (but you don't have room at your place), if you're coming to Pittsburgh to join the Ride and need a place to stay, or if you just want to join the fun! - The Pittsburgh International Hostel is the place to be on Great Ride Weekend!

Not riding? Volunteers are needed for course marshalling on the Mount Washington Loop past the Hostel (where tours will be given and refreshments served.) Volunteers are needed through out Pittsburgh on the day of the ride for water stops, registration tables, course marshalling, and lots of other help. Let's see a great turn out of riders and people to cheer them on this year! Call 412-431-4910 for information on how to register for the Great Ride or to volunteer. To make a reservation at the Pittsburgh International Hostel call 412-431-1267.

SUMMER MARKETING INTERNSHIP
We are seeking university juniors or seniors in marketing or public relations, journalism or English or graduate students in international business for a summer Marketing and Community Outreach Intern. We have sought funding from the HI-AYH National Office to provide a stipend for this full-time, 12-week internship lasting from approximately May-August. Approval of this funding is expected in the next month or so, at which time accommodation at Hostelling International - Pittsburgh, \$200 travel allowance/relocation assistance, hostel overnights, membership and travel store discounts can also be offered. To receive an internship description, please contact Brian Funk at the Pittsburgh International Hostel.

SEE YOU AT THE HOSTEL!
The Pittsburgh International Hostel is opened seven days a week from 8 - 10 a.m. and from 5 - 10 p.m. every day except December 23-26, 1999. We are closed during the day. We're located at 830 East Warrington Avenue (at the corner of Arlington - in the Allentown neighborhood). We're 2 miles south of downtown, above the Southside, between Mt. Washington and Mt. Oliver. Excellent public transportation and free parking are available whether you are coming to stay overnight, attend a workshop, volunteer, of attend one of our other upcoming events. We look forward to seeing you here!

Weekends at Ohiopyle

Marjorie Pasqualle, our Ohiopyle manager, needs a break! If you can volunteer to keep and eye on the hostel one or two days on summer weekends Marjorie would be a happier manager and you will have a fun time. The council will reimburse your travel and meal expenses. You only need to be at the hostel from evening till morning and then have the rest of the day to play. If you can give Marjorie and hand, please give her a call at: 724-329-4476.

AYH Sheet Sleeping Sack
DON'T LEAVE HOME
WITHOUT ONE!

Required in all youth hostels, the sleeping sack serves as your top & bottom sheets, with a built-in pillowcase. Regular sleeping bags are not allowed at hostels due to public health regulations. Our nylon sleep sack is especially light, compact, and dries extremely quickly (handy on trips). The cotton/polyester sleep sack is a little heavier and bulkier, but feels just like your bed-sheets.
Order one today! See the order form on the back page for prices.

AYH ACTIVITIES WITH BEN

I'm pleased to see that the activities are showing renewed energy. Climbing has new blood.

When I saw Ray Yutsy at a Thursday meeting, he took out some time to discuss "Ray's master plan for improvements". I liked it. We would use our space more efficiently, store our canoes, sea kayaks and white water boats better. So. I would like to do some renovations over the coming cool season, starting in September. Given some occasional help from our boating beneficiaries (note,note,hint,hint), we could improve our H.Q. the Ray way. A design that's fine.

And our hats off to Luc Berger. He has consistently, persistently and sometimes insistently produced Thursday night slide shows, movies and pizza parties. Quite an achievement. Keeps Pittsburgh's unique weekly meetings going. Tres Bien Luc.

SUNDAY HUNTING

From: "Kate St. John" <KStJohn@WQED.Org>

Dear Pittsburgh Council of AYH and Maribeth Hook, Marianne Kasia, etc. The timing of this email may be all wrong because it's summer and everyone's busy. However, I'm contacting outdoors clubs in PA to let them know about a proposal before the PA State Legislature to allow deer hunting on Sundays. (I found your Website in my search for PA outdoor clubs.) If you could possibly pass this on to your membership (or write/call the legislators or attend a public hearing) it would surely help stop this proposed law which would overrule the Game Commission. If you have questions, please fell free to email me. My interest in this is purely personal: I hike every Sunday and I am a bird watcher.

SUNDAY HUNTING, PUBLIC HEARING

No matter how you feel about hunting you probably try to plan your outdoor time for Sundays during hunting season -- especially during Antlered Deer Season. This could change!

On 4/13/99 Representative Dan Surra introduced House Bill 1237 to amend game laws and allow Sunday hunting in PA during Antlered Deer Season. When members of the hiking community expressed dismay, Rep. Surra called the President of the Susquehanna Appalachian Trail Council (I quote from her e-mail)

"to see if I had any questions, and to assure me that he is both open minded about the issue and committed to allowing Sunday hunting. He [Rep. Surra] admits that the current bill, which calls for only two Sundays for antlered deer season, is the beginning of a strategy which could lead to hunting being allowed on Sundays for all game."

Some of those in favor of Sunday hunting have offered to substitute a weekday as a no-hunt day. If Rep. Surra's strategy succeeds, this would leave *no* hunt-free weekends for six months per year. (There are variety of game seasons in effect from October through February, plus May Spring Gobbler season. This doesn't even count the unlimited hunting of Foxes, Crows, etc.)

If you like to be outdoors on Sundays (I certainly do!), I urge you to write to members of the Game & Fisheries Committee, to which the bill has been referred (see below for names and addresses). I also urge you to attend one of the two public hearings that the Game and Fisheries Committee will have on this issue. The first was June 10 in Crawford County.

The other will be in the Harrisburg area; no details are available yet. Rep. Smith's Harrisburg office number is 717-783-8783.

THE 1999 GREAT RIDE

The 1999 Great Ride will be held this year on July 25th. The ride will be similar to last year's Great Ride and will start at the same great location, with some new features this year. Check out the Great Ride web site for the latest information. You can find the link to the web site through the Pittsburgh Council home page at <http://trfn.clpgh.org/ayh>.

Applications

The applications will have been mailed out to everyone who has ridden in the Great Ride, the Mon Valley Century, or SABRE in the last few years by the time you read this. If you haven't gotten an application and would like one, stop by at the Activities Headquarters or at the Pittsburgh Hostel. You can also call Citiparks at 412-255-2391.

Volunteers

As you know, while the Great Ride is a Citiparks event, the Pittsburgh Hostel receives part of the proceeds of the Great Ride each year. This has been a great assistance for the hostel operations. In return, Pittsburgh Council provides volunteers for the course in general and for an additional rest stop on Mount Washington for the part of the ride that passes the hostel.

Last year, everyone had great fun cheering on the riders, and we had a lot of comments from the riders about how much they enjoyed meeting us on the course. Last year, we had twenty members, volunteers, hostellers, and neighbors on the Mount Washington loop and need your help in doing that again.

In addition, we need to provide volunteers throughout the course to help the riders keep on course, and to man an information booth at the starting point.

We need your help! Please call the council office at 412-431-4910, e-mail us at ayh@trfn.clpgh.org, or contact Larry Laude directly at 412-665-554 (larry.laude@usa.net). Bring a friend with you, too. It's a lot more fun with some with you.

BICYCLING

Touring Bike Rides

The bicycling program is up and running. On April 13th, 9 people met to set some goals and a schedule of rides. Our bicycling goals include:

1. Bicycle travel by people of all ages for fun and enjoyment.
2. A "see the world" focus, exploring new areas with a relaxed, non-competitive attitude.
3. A diversity of trips on trails and roads, including both day and overnights.
4. To educate people in effective cycling, safety and bike maintenance

July 18, Sunday George's 33 Mile Easy Plus Ride starting in the Crafton Ingram Shopping Center (at front of Giant Eagle). Led by George Nowak. He knows this area well. Call (412) 921-0653

July 23 through July 25, Friday to Sunday Pine Creek
The Pine Creek bike path, winding its way through the Grand Canyon of Pennsylvania along a former railroad bed, will be one of the most scenic bike rides you will find anywhere!

We will be staying at the Colton Point Motel, located in Ansonia, and is located 13 miles west of Wellsboro on Route 6. Colton Point Motel is situated on 50 acres bordered by state game land and within easy walking distance to Pine Creek. There is a 2-acre pond stocked for the fisherperson, 2 paddleboats for cruising, and a beach area for swimming. Activities at the motel include volleyball, badminton, croquet, and horseshoes. There is also a picnic area and play yard for children. You can make your reservation by calling 1-800-829-4122. Rates are \$30 for 1 person/1bed; \$40 for 2 people/1 bed; and \$45 for 2 people/2 beds.

There is also camping nearby at Kearse Campground, which is approximately 7 miles west of Colton Point on Route 6. The phone number is 814 435-2550. There are two fishing lakes; a 6-acre lake and a 1-acre lake. Swimming is at Pine Creek Watrous Beach. They have shower houses with plenty of hot water and firewood. The rate for a tent site is \$10/night; and an RV site is \$14/night.

Our plan for Saturday is to meet in the motel lobby and take a leisurely ride, stopping to enjoy scenery and picnicking, from Ansonia to Blackwell. Ambitious riders can return to Ansonia via bike. Riders who prefer a one way trip can call Pine Creek Outfitters @ 570-724-3003 and make arrangements to be shuttled back to Ansonia. Riders traveling with children on their own bike may choose a shorter round trip ride.

On Sunday, we can ride again or take a scenic train ride on the Tioaga Central Railroad from Wellsboro Junction north to Hammond Lake. The fares for this 1 ½ hour train ride are \$10/ adult; \$9/senior (60 and over); and \$5/child (6-12). Children under 6 are free when accompanied by an adult.

We will be riding a tandem with a 6-year-old on a tag along and hope that other families will be joining us.

For more information or to confirm your participation, call Terry or Kevin Craig @ 724-940-2637 or email us tcraig@fyi.net.

The road will remain open to non-motorized recreational uses such as bicycling, in-line skating, and walking. This is a continuation of the city's response to park users' requests for an automobile-free area to participate in these activities. The closure will prohibit motorized vehicle traffic from 6:00 PM Friday to 6:00 AM Monday. Circuit Road will close each weekend through November 1999. Automobile parking in the closed section of Circuit Road is prohibited on weekends.

ROCK CLIMBING

Rock Out with AYH!

Rock climbing trips from Pittsburgh Council of American Youth Hostels

The AYH Rock Climbing program is a great way to experience the thrill of rock climbing. Our Beginner trips are focused on teaching "never evers" the basics of rock climbing. AYH supplies the climbing gear plus a group of experienced climbers to set up the climbs and teach the course. All you need to bring is a bag lunch, water, and a sunny disposition. Wear loose-fitting, comfortable clothes (shorts and T-shirts in the summer) and tennis shoes. It's not a bad idea to pack raingear in the event of a late-afternoon thunderstorm.

Beginner trips are held at Coopers Rocks State Forest, Exit 15 on Rt 68, east of Morgantown, WV. Trips leave from AYH headquarters at 7:30 am. We arrive at Coopers Rocks around 9:30 am, followed by a short walk to the climbing area. We are back at the cars by 4:30 or so. Many climbers stop at a local restaurant for dinner before driving back to Pittsburgh. We typically arrive back at AYH headquarters by 8 pm. Cost is \$10 for AYH members (\$12 for non-members). Gas money (\$5/person, if you car pool from AYH Headquarters) and dinner are NOT included in the trip fees.

Beginner trip fees break down as follows:

- \$3 activity fee (for first-timers only)
- \$3 harness/helmet rental (if you don't own your own)
- \$3 rope fee (for periodic rope replacements)
- \$1 AYH registration fee (\$3 for non members)

Experienced climbers are welcome on our "Beginner" trips since we top-rope climbs of varying difficulty (through 5.10). Seneca Prep trips teach seconding skills in preparation for a multi-pitch climbing trip to Seneca Rocks. The AYH climbers also make frequent "unofficial" trips to Seneca Rocks, New River Gorge, the Gunks, and local climbing areas. Several AYH climbers can be found hanging out (pun intended) at The Climbing Wall, located in The Factory on Penn Avenue, on Thursday nights from 7 to 9:30 pm. Then we retire to the Evergreen pub (also on Penn Avenue) for a few cold ones and to make plans for the coming weekend.

To find out more about the AYH climbing program, call Chuck Jones at (412) 242-6172. To sign up for a specific trip, call the Trip Leader listed in the table below.

Trip size is limited. Call the Trip Leader (not the climbing chairmen) to sign up.

If you love hiking and the outdoors and you can assume responsibility for blazing a section of the Baker Trail on your own time, please give me a call. I will provide a brief training session and turn you loose on your own project. AYH will provide or reimburse you for paint and brushes.
