- Oct 19 Come visit "Someplaces Special in South America" with Dick Vanderbeck.
- Oct 26 Explore Boston Harbor and other islands with Cathy Lynch.

October is AYH election month, and this year's campaign has been a hot one that could go down to the wire. Mud was slung; names were called; people said things they didn't really mean. But it was all to no avail; we still couldn't talk anyone into filling one of the open positions.

Jobs dealing with paperwork aren't as popular as those dealing with activities. But they are necessary. The main requirement for being librarian is storage space for a cabinet. Bruce needs help with publications. I'd like help with the newsletter doing paste-ups, making plates (a simple photographic process), designing covers and illustrating articles. If you'd like to help, see me or talk to Joe Hoechner.

CANOEING THE NEW RIVER

Mike Deroy

The New River was flowing $1\frac{1}{2}$ feet above normal for our Labor Day trip. For twelve AYHers on the annual trip, it meant 26 miles of pools and rapids. Even against strong headwinds (TOSRV's counterpart on water), AYH enthusiasm remained to enjoy the waiting rapids: Saturday's silos, Sunday's Quinemont, and Monday's "Little Class III Riffle" near the Sandstone Falls. The latter made the most scenic backdrop for swamping pictures.

Even if the river was easier than we had hoped, one could always find excitement on the Class IV roads used to get in and out of the camping area at Prince, W.Va., which left us with $1\frac{1}{2}$ flat tires. But overall it was a great AYH weekend paddling and poling one the the unique rivers in the East.

Used Equipment for sale: x-c skis, Benner 2088, step-no wax fiberglass with bindings, 180 cm, \$30. X-c boots Suveren, size 38, \$30. Downhill Head HRP Comp Junior skis, 163cm (up to 110 lbs), \$30. Rieker Boots with tree, size 7n, \$15. Call Pat Rossi, 335-5067.

HOUSEPARENTS NEEDED

Hostel Development Chairperson Joe H. would like to hear from people interested in serving as houseparents in the Western Pa. area. Candidates should: be an active AYH member, be an experienced hostel user, like working with people. A resume should be submitted to Joe detailing AYH background. All info would be confidential and would be kept on file until such a time as a position would open up. Send to:

Joe Hoechner

405 Hoodridge Dr., D-4

Pgh, Pa 15234

Call 343-2465 (keep trying) with Q's.

Hey Bicyclists - Going to the Annual AYH Picnic on Oct 21st? Don't forget your bike! The one-way serpentine drive up to Riverview Park has been repaved and is super smooth and wide. It offers an easy uphill grade and a hair raising downhill. Just watch for drain grates!!

Is your bike legally lit for riding between sunset & sunrise in Penna.? 500 feet is the distance that drivers must be able to see you. Remember that rear panniers can block arm-band type lights.

Plan ahead - keep the weekend of Jan 12th, 1979 open. Why? That's the Annual Pittsburgh AYH Winter Weekend at the Laurelville Mennonite Church Youth Hostel.

If you're planning a winter ski vacation, you may want to start gathering information now. To request downhill and/or cross-country ski information, contact:

Beware of the fare! Trip leaders must take into account the new higher toll fees on the Turnpike when figuring trip fees.

PennDot now has a chapter devoted to bicycles in their new driver's manual. It is the next to last chapter and it is only 2½ pages long, but it is very well written.

HELP! - FURNISH A HOSTEL!

Hostel Development Chairman Joe Hoechner is seeking donations of housewares to contribute to new area hostels. Among small items needed are dishes, cups, glasses, silverware, pots, pans, skillets, kitchen gadgets, books, games, mops, brooms, fire extinguishers, etc. Larger items that may be needed are good used chairs, tables, bunks, area rugs, wool blankets, single mattresses, refrigerators, stoves, shower stalls, etc. (piano?) If you have an item that you would like to donate, speak to Joe before bringing it in. See him any Thursday night at AYH or call him at 343-2465.

SEPTEMBER

RUMBLINGS

FROM

"Fall has Fell"

Remember that old rhyme that began "Spring has sprung"? Well fall has arrived at Avalanche and we have spent a lot of time lately putting out newly arrived merchandise.

This season we will have the most complete and varied selection ever with new items in every area in the store.

We've tried very hard to critically examine nearly every new item that comes on the market because if we don't personally like it - we won't sell it to you. During our recent mountaineering seminar in the Pacific Northwest we had an opportunity to test several new products. Through this type of careful selection we hope to bring you only the best in outdoor clothing and equipment.

So - come early to get the jump on what promises to be another great winter (that is, if you like snow) - If you don't like the cold and snow come in anyway and we'll show you how to keep warm, dry, and happy til next spring.

The Weekender Kit

a A comfortable pair of boots capable of transporting you and your gear safely over dirt, mud and rocks.

b A pack that will fit comfortably on your back and be large enough to carry all the creature comforts.

c A sleeping bag that fits you properly and will keep you warm, dry and cozy.

d A shelter, lightweight enough to be transported on your back yet sturdy enough to withstand gusty winds and torrential downpours.

The Weekender Kit . . . custom fitted for you by the folks at Avalanche. Experts that understand your outdoor needs and how to fill them in a way that could easily save you time and money.

HOSTEL DEVELOPMENT NEWS

This year was a busy time for the hostel development efforts of the Pgh Council. In this Quad-State area (Pa., Oh., Md. & W.Va.) a total of 3 new hostels have been chartered and a very important 4th will be chartered soon and is to open Spring, 1979.

Thanks to the efforts of ex-Pitts. Rich & Helen Feder, the Cleveland Ohio Y.M.C.A. now has hostel status. The overnight rate is \$7.50 for a private room or \$2.50 for sleeping bag floor space. Details & map location will appear in the 1979 AYH handbook. For reservations & info. write: Director - Cleveland Y.M.C.A. 2200 Prospect Ave. Cleveland, Ohio 44115 phone: 216-696-2200

Almost on the W.Va. - Md. border is the new hostel, Camp Minnetoska. The camp is about 7 miles west of Oakland, Md. and about 3 miles north of the small town of Hutton, Md. It lies about 40 miles southeast of Chestnut Ridge Camp Hostel and about the same distance southwest of the new Grantsville, Md. National Pike Hostel. It sits on the edge of scenic Swallow Falls State Park. The overnight rate is \$1.50 with details appearing in the 1979 handbook. For reservations, contact: Mr. Fred Learey, Houseparent Camp Minnetoska Youth Hostel P.O. Box 26 Oakland, Md. 21550 phone: 301-334-8292

Closer to home, Camp Harmony in Hooversville, Pa. is now a supplemental hostel. Where is Hooversville, your're asking yourself. If you get a state highway map, look about midway between Johnstown & Somerset. To the east side of the Quemahoning Reservoir, you'll see the town - the camp is nearby. The camp is almost in a direct east-west line with our Laurelville Church Center

Youth Hostel. The presence of Chestnut and Laurel Ridges between the two hostels should not deter the touring cyclist from trying the 40+ mile trip. The camp is also about 50-60 miles north of the Grantsville & Cumberland, Md. hostels.

There is canoeing nearby at Stoney and Shade Creeks, x-c skiing on the site and downhill skiing at Blue Knob or Hidden Valley. The rates will be \$2.50 summer, \$3.75 winter with details to follow in the 1979 handbook. For reservations, write: Camp Harmony Youth Hostel R.D. #1 Hooversville, Pa. 15936

Now, to a location you may be very familiar with - Ohiopyle State Park. The Bureau of State Parks has informed Pittsburgh Council that the former ranger's residence is available for use as a hostel. Once a lease is signed (\$1.00/yr.), all the Council has to do is a detailed survey to plan dorm space, insulate, patch, paint, install storm windows & door, maintain the building, and pay utilities, rework the bathrooms, add showers, enlarge the kitchen, furnish the place, etc,

That's not to mention finding houseparents and fire insurance (which ever comes first).

HELP! That's what we'll need when the lease is signed. Physical help in the form of craftspeople who can help in renovation work at the building. Help with people collecting & saving useful items to furnish the hostel with. Even financial help with tax-deductible donations to finance the cost of materials.

Please read future issues of the Golden Triangle to learn what work is to be done. If you have any questions, suggestions, donations, call Joe Hoechner @ 343-2465 (keep trying).

GROUP for RECYCLING IN PENNSYLVANIA

P.O. BOX 7391 ■ PITTSBURGH, PENNSYLVANIA 15213 ■ (412) 661-4447

September, 1978

Dear Members and Friends

GRIP is the only public interest group we know of which has never asked its supporters for money beyond regular membership dues.

Unhappily, it is necessary now. . .

We currently have \$600 in operating funds left. This amount may seem high to you but after subtracting salary for our part-time caretaker at Finance Street, insurance, telephone, printing and postage to communicate with our members and supporters, the treasury will be depleted in less than 4 months.

The reason for our dwindling cash is, of course, the recent collapse of the salvaged newspaper market which forced us to close your recycling centers. These had provided the organization with a modest income.

So, now we ask two things of you, our friends:

First - if you are not a GRIP member, please join us now
Annual dues are \$3 for an individual membership
\$5 for a family membership

Second- whether or not you are a paid up member, please
consider sending us \$5 or more for additional
funds to survive.
All is tax deductible.

These additional funds will give us time to look around for grants or contracts that will sustain our work.

In its eight years of existence, GRIP's name has become known to thousands of school children and adults as well. They associate the name with careful stewardship of our resources. In fact, GRIP is the only local organization concerned with wastefulness, with the conservation of materials and energy so that we may leave what is rightfully theirs to those who follow us.

It would be a shame to let all that wither.

We hope you will support GRIP with your time and ideas too, but we definitely need your few dollars now. If each of you just contributed a small sum (or a larger one, if you can) we could continue our work.

Very sincerely yours,

Lore Keffer
President
