BY Jeri Walsh

Hats off to the sixteen courageous folks who braved the elements ( rain ), the mud and (certainly not the least intimidating factor...) the Spirit Booster Club to score an impressive defeat (commonly referred to as a 'shut-out') in our first sacrifice in the name of fund-raising. Yvan Welitz deserves a purple heart for bloodshed on the battlefield during the rainshower that rendered the field somewhat of a 'slip'n'slide'. (It should also be noted that the following Thursday he was at Mellon Park with us in our weekly sandlot soccer game.)

Other fools...er, players, included:

Barry Govenor	Eric Bauer
Joe Hoechner	John Popp
Bill Johnston	Judy Menosky
Lynn Ejzak	Lisa Greppi

#### MINUTES OF AUGUST ACTIVITIES BOARD MEETING (condensed)

**TREASURER:** It is time to submit bills and prepare budgets. Inventory printouts will be given to chairpersons to update inventory.

**RAFTING:** Permits at Ohiopyle have become easier to obtain. For safety in larger water, kayaks will be going on trips.

**CANOEING:** Gordon Bugby was appointed interim canoeing chairperson until another is elected. Sue Krotec has gone out of town. Boat usage was discussed—our canoes are not to be used on water above class II. Kayaks are available for class KKK and above. Swimmers in an unguarded area should wear flotation devices.

**CYCLING:** Lynn Ejzak will be replanning the bike route to the Cardinal Trailhead at the Ohio border.

**KAYAKING:** In case of an accident an accident report should be filed by the attending physician in case patient's medical insurance does not cover costs completely. A report should also be filed with Joe Levine.

**PUBLIC RELATIONS:** We are listed in Gilber Love's 'Go Guide'. The Press sports page mentioned AYH participation in Red Cross training a Pymatuning. The Travel Editor featured AYH 50+ trips and there was much interest.

**PUBLICATIONS:** Next edition of "Hostelling Communique" will feature a full page about our cookbook.

**TRAILS COORDINATION:** National Park Service sent us information and asked for comments on use plan for North Country Trail. We will send comments on the NCT and give written permission for Baker Trail to be certified as part of that system.

**MISCELLANEOUS:** Help is needed at the door Thursday nights to answer questions so that people don't overrun the membership table. We are sponsoring Regional Meeting September 23-25 at Pgh. Theological Seminary. Members urged to seek that weekend available and attend the meeting.

#### MINUTES OF SEPTEMBER ACTIVITIES BOARD MEETING as submitted by Eileen Hull

Plans for Regional Meeting progressing. Drivers are needed to meet people who arrive in Oakland on the Airport Limo, and after 9 pm, at the airport; to drive to Station Square Saturday evening; and to get people to town or the airport on Sunday. If you can help with hospitality or furnish snacks contact Harriet Ann Seiner.

Budgets for Kayaking and Trails Coordination were discussed in detail. Income from Canoeing and Rafting rentals have declined from 1980 to 1982. Guidelines for rentals will be reviewed to see if they are covering expenses and cost of equipment. Possibilities of the need for more trips will be explored.

The following motions were passed:

1. That AYH donate \$25 to the Next Virginia Conservancy to aid in its campaign to protect Cranberry Back-country from development.

2. That we send an equal amount to the Citizens for the Gauley River to aid in the protection of that waterway.

3. That we authorize volleyball, yoga and soccer as a part of the Council program on Thursday nights.

4. That the Activities Board office of Volleyball Chair be changed to Open House Activities Chair.

Charter renewal is due November 30.

Activities chairpersons should update and return inventory sheets to Bill Johnston. Budget requests to be given to Fred Hull immediately!!!... Next meeting will focus on budget item review.

THE 1982 ELECTIONS FOR OFFICERS, COMMITTEE CHAIRPERSONS, AND DIRECTORS WILL BE HELD ON OCTOBER 21. Those elected will take office on November 1. In accord with the by-laws, a nominating committee has prepared a list of candidates based on their ability and willingness to serve. Several positions are still open. If you are interested or want to suggest potential candidates, please contact any member of the nominating committee as listed below. We would also like to hear from people who are interested in assisting the chairpersons in order to provide experience for potential 1983-84 chairpeople. Note that the by-laws also permit nominations to be made from the floor at the election meeting.

The following letters were received by the editors and may be of interest to those of you who use the Otter Creek Wilderness area.

Editor,

The original of the enclosed letter was mailed to the editor Hiking Guide, West Virginia Conservancy. The letter pertains to a misfortune that occurred to my family while backpacking. Perhaps you would be interested in publishing it in the TRIANGLE, as a warning to backpackers and campers.

Sincerely,

Lynne Fabianich

The letter reads as follows:

On Thursday, August 12, 1982 at 9 pm, my husband, son and I arrived at Otter Creek Wilderness Area, Parson, W. Va. for a few pleasant days of backpacking. We parked and locked the car at the Fernow Experimental Forest entrance point.

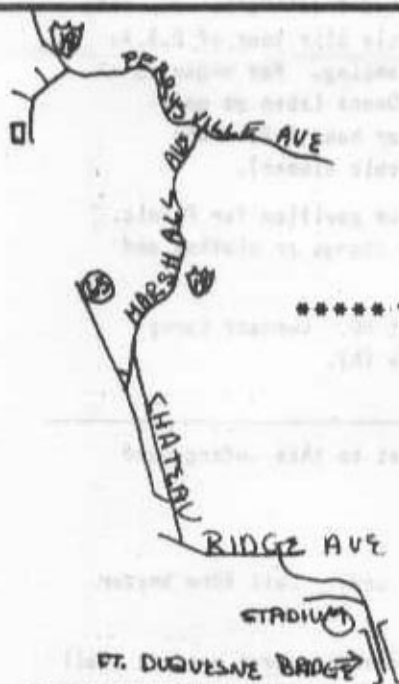

We returned on Sunday, August 15 at 4:30 pm to discover that our car had been vandalized, siphoned and robbed of \$200 worth of tools and miscellaneous items. A van parked in the same location was mistreated also. We have determined that this probably occurred on Friday, August 13. After this discovery, we drove to the nearest town, Parson W. Va. to notify police. We could find no one at the sheriff's office, municipal building or state police office. I therefore had to notify the state police the following day via phone conversation. Of course, the state trooper wanted to know why it wasn't reported earlier (to whom...an empty building?)

What this letter is suggesting is that a warning to hikers in ANY region be placed in the book/paper:

1. Do not fill the gas tank before leaving the car at the trail parking location.
2. Use an old, delapidated car if possible.
3. Do not leave valuables in the car or trunk.
4. Do not rely on the car door locks.

Otter Creek is our favorite backpacking location in West Virginia. There is beautiful scenery, a crisp, clear stream, swimming holes, waterfalls—everything a backpacker desires. We will not forsake the pleasures of Otter Creek but will also keep in mind that it was the location of a very unpleasant experience,

--Lynne Fabianich.
