THE EDITOR'S USUAL FEISTY NOTE

I believe that a few of you have misjudged me. Just because a person is feisty, that doesn't mean that she is cruel. For shame Joe Hoechner! Did you really think that I would be so cruel and unthinking as to use that snide clip art that you sent to me? Right after our esteemed President, Larry Laude, celebrates his birthday you expect me to stab him in the back? I would never print such a thing at the top of "The President's Corner"! However, I would print it in my feisty editor column....

Over the Hill Over the Hill Over the Hill Over the Hill

You realize that we're only kidding, don't you Larry? Larry? After all, what would I do without you? Thanks for typing your own stuff this month, it helped a lot.

A question has been running through my mind lately: Does anybody read the activity writeups? I thought about creating a new activity like bushwhacking, or birdwatching, or maybe nude sunbathing.... And then randomly designating a person as chairman, but I thought better of it (Actually, the only way to be sure that I didn't use your name is to go back and read the activity writeups.).

WORLD ADVENTURE 1986 CATALOGS ARE HERE!!!

In addition to old favorites like Salty Dog, a popular New England cycling trip, and Bay Stroller, a San Francisco area hiking trip, this year's catalog highlights a new program called "Europe on a Shoestring." Priced very reasonably, these trips (four cycling, two hiking, one train and one van) offer a two week introduction to selected locations in Ireland, England and the continent. Another first this year, Oregon Odyssey, provides a chance to hike near Mount Saint Helen's, to go llama packing around the beautiful Bend area and to try summer snow skiing on Mt. Bachelor.

For full descriptions of these new and popular trips, obtain a World Adventure catalog at headquarters or send 88¢ in stamps to cover postage to: Pittsburgh Council AYH, 6300 Fifth Ave., Pittsburgh PA 15232. Marilyn Ham 687-4520 and Bill Johnston 687-4893 are the Extended Trips chairpeople.

NEW LIFE MEMBER

Welcome to our newest Pittsburgh Council Life Member, Cheryl Arnold. Happy Hosteling Cheryl!

T.O.S.R.V. '86 (ALREADY?)

If you are the hard-core, steel kneed cyclist, you may have already sent in your application request for this year's 210 mile ride through central Ohio.

Or, if you're a first timer, planning to be "in shape" by the second week of May, and know some of the above types who can take you under their wing, you can give it a try.

A third possibility is the "TOSRV widow (or Groupie)". Thanks to the Columbus AYH there is now an official hostel in Columbus which Pittsburgh AYH'er Joe Hoechner will make reservations at for a small group for both nights of that weekend. This trip was scouted last year and included leisurely Saturday rides through Columbus' campuses, parks and bikeway system, dinner at the German Village and a ride south Sunday into the path of 4500 returning riders!

If you'd like to spend a weekend cycling in the middle of one of those square, flat mid-western states, call Joe at 373-3403 (6-11 pm) or to do TOSRV, request an application from:

T.O.S.R.V. Communications

P.O. Box 23111

Columbus, OH 43223

To get a response, you must include a stamped, legal size (#10), self-addressed envelope with your request.

CAVING

John Popp 885-2126
Paul Herre 653-7934
Roy "The Maverick" Provins 784-9127

An invigorating hike through scenic Chestnut Ridge takes us to mysterious, legendary Bear Cave. After choosing one of the many entrances, the adventure begins. As we weave our way through the maze, we are reminded that suicide pass looms before us. We surpass this obstacle, but another challenge awaits -- Larime's Tunnel. The exciting conclusion, the Keyhole, lies before you and only the adventuresome need heed the call. Hope to see you there!

As always, please call the trip leader for more trip details and information so that you can be properly prepared to enjoy the exciting sport of caving!

CROSS-COUNTRY SKIING

Fred Parker 824-2638
Steve Tubbs 751-2158

All cross-country ski trips are on a "no snow - no go" basis. Most trips leave AYH HQ at 8:30 am. Contact your trip leader for details and ski rentals.

Attention all Thursday evening skiers: Your ski leader may only be able to unlock the back door of HQ, walk around. Later on, please bring your dripping wet skis in through the back door, don't drip them all over our carpets.

Attention all ski leaders: There are first aid kits stored in the X-C boot cabinet.

If you need to rent skis for the Blackwater Falls weekend, call Fred Parker. Rental is \$8.50/weekend.

CANADIAN SKI WEEK Enjoy a week's skiing in Gatineau Park, Quebec. A group of AYHers will ski at Chataqua Feb. 1st, then drive to Ottawa. Stay at the Gaol Hostel; ski (and skate) all week. Some will partake of the Canadian Ski Marathon Feb. 8-9, 100 miles. Return to Pittsburgh on Feb. 10. See Cliff Ham or Fred Parker.

THE PRESIDENT'S CORNER

November and December have been keeping us busy with the budget and audit, the National Council meeting, and the annual council report to National AYH.

The budget was approved at the November Activity Board and Board of Director meetings with no major differences from previous years. Two items worth mentioning, however, are the addition of two new sea kayaks and the planned publication of new editions of the Hiking Guide and the Baker Trail guide in February or March.

At the National meeting, the strategic plan was endorsed with comments on the need to reevaluate the goals for supplemental accommodations (hostels that don't quite meet all the requirements for hostels) and to rethink the targeted age distribution of AYH members over the next 15 years. The name change that has been discussed was voted down almost unanimously. Pittsburgh Council was among the best represented Councils at the meeting, by the way, with 12 of us attending one part or another of the various meetings and workshops. Tony Pranses, one of the founders of Pittsburgh Council, was there and received an award for lifetime service to AYH. Bill and Ruth Nelson were there to present the houseparent award to Joan and Bob Beard, houseparents at the Ironmaster's Mansion hostel near Gettysburg. (You should stop there if you can -- the hostel is beautiful, and Bob and Joan are great people.) The speakers at the banquets included Denny Lewis, President of the International Youth Hostel Federation, and William Penn Mott, head of the National Park Service. On the down side, as they say, we were disappointed when Bill Johnston was not elected to the National Board of Directors and Joe Hoechner was not reelected as Eastern Region vice president. By the way, for those of you who like to plan ahead, the 1986 meeting will be in Orlando, Florida and the 1987 meeting will be in Boston, Massachusetts.

DECEMBER TRIPS AND TRAILS

Trips listed are open to the public, AYH members are given priority. Trip costs include transportation, rentals, and a 75% registration fee (50% per half day or evening). IN ADDITION non-members are charged \$1.50 per day, which may be deducted from the cost of membership when joining AYH. The registration fee covers insurance (\$1000 medical/\$1000 accidental death or dismemberment).

AYH trips are led by competent people who volunteer their time and receive no financial reimbursement. If you'd like to go on an AYH trip, carefully peruse the trip calendar, then look under the activity write-up, where you may find more information. After you've read over everything, call the trip leader to reserve space on a trip.

Talk things over with the trip leader. Find out what you need to bring. Ask where you'll be going. How late will you arrive home? What is all this going to cost you? Remember, AYH trip registration runs 75% per day for members, \$2.25 for non-members. You are expected to bring enough money with you to cover carpool, registration, equipment rental, and any other expenses (we often stop at a restaurant on the way home).

AYH trips are geared toward individuals who independently sign up for trips. If you have a group that wishes to go, it is important for the leader to contact the trip leader early, and it may be necessary for the trip leader to speak with every tripper.

BACKPACKING

Backpacking Vacation 1986 Plan ahead. Reserve vacation time now to join Glenn Oster on an extended backpack trip to the Sawtooth Mountains in Idaho. High country. Rugged mountains. Great scenery. Intermediate hiking level.

Leave Friday evening July 18 and return Saturday, August 2nd. More details next month. Last year's trip filled up quickly (total eight hikers); so sign up early. For information and reservations call Glenn at home 364-2864 or at work 234-3967.

HELP WANTED: Volunteer trail maintainers and assistant maintainers are needed for sections of the Link Trail. No experience necessary. Work schedule extremely flexible. For more information, send postcard to: **Bob Olsen, 249 Bradley Avenue, State College, PA 16801.**

Getting back to local business, at the December Activities Board meeting, plans were reviewed for the Spring banquet (March 15) and the Spring Eastern Region meeting, which will be held in Pittsburgh the first weekend of April. A proposed lease for the headquarters building was received from the City of Pittsburgh; this will be reviewed in more detail at the January Board of Directors meeting. This is a slow time for the Activities, with only the Family Activities having much of anything to report. The board voted to support an AYH ice skating party at Schenley Park on January 19th and also to donate \$100 to the West Virginia victims of the recent floods. Membership sales at the Council were down this year somewhat, with our current membership consisting of 1566 individuals (including 237 life members) and 81 organizations.

Hostels and the hosteling experience are the essence of the hosteling movement. Sometimes, though, we don't hear as much about them as we do about our local activity trips. Well...let's do something about this. I'd like to hear more about your experiences with hostels and hosteling, both here and abroad. A short note or a longer article for the Triangle would be a great way for the rest of us to share your experiences hosteling in England or Japan, for example, or to recommend or "disrecommend?" hostels here in the States. This includes hostel managers and houseparents, too; feel free to tell us about *your* hostel and what makes it special. Finally, I need slides of hostels for Thursday programs and for other slide shows. I'd appreciate any of your extras.

NEW ROUTE FOR APPALACHIAN TRAIL

The National Park Service has decided to go with the "ridge route" for the Cumberland Valley section of the Appalachian Trail southwest of Harrisburg. The new route will be in a 750-foot wide corridor generally following higher land as opposed to the alternative plan, which would have put the trail on a 30-inch wide footpath along roads in the valley. The ridge route is going to cost more (\$6.6 million vs \$1.2 million) but will provide for safer and certainly more scenic hiking. The Park Service will begin to purchase easement rights for the Trail shortly but hasn't announced when the new route will be opened.
